SUBJECT:

JCP/GPO Paper Procurement Meeting

1. As a result of our conversation of 22 March 1983, and a discussion I had with [REDACTED] on the same date, it is evident that we all agree no follow-up to the 3 March 1983 meeting with JCP is required.

2. Thank you for passing the JCP paper specifications along. They will be useful to us in the event that future dealings with JCP or GPO on paper procurement issues become necessary.
